

Evening Lecture Schedule Summer 24-25

Classes will run as live face to face lectures on the main campus of the University of Sydney. Students who live in the Sydney Metro area will be expected to attend in person. Regional students will be able to access a live stream of the lecture via Zoom.

Important note: Students should avoid taking subjects with lectures on the same night. When taken in order, subjects 1 to 11 are timetabled not to clash. After this, students should ensure their course schedule does not include subject clashes. For example, students should NOT take Practice and Procedure in the same semester as Jurisprudence.
