

The Diploma In Law

Evening Lecture Schedule Winter 2026

Classes will run as live face to face lectures on the University of Sydney main campus. Students who cannot attend in-person will be able to access a live stream of the lecture via Zoom.

Important note: Students should avoid taking subjects with lectures on the same night. When taken in order, subjects 1 to 11 are timetabled not to clash. After this, students should ensure their course schedule does not include subject clashes. For example, students should NOT take Practice and Procedure in the same semester as Jurisprudence as they are both on Thursday evenings.
